

## SUPPORT THE PARIS BRAIN INSTITUTE FROM AUSTRIA

### Le Transnational Giving Europe

*The TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence ([www.transnationalgiving.eu](http://www.transnationalgiving.eu)).*

*The Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.*

*By making a donation to the Paris Brain Institute via the TGE, donors who are residents of Austria benefit from the tax advantages of that country.*

*Donors living in Austria and wanting to make a TGE donation should first contact the **Stiftung Philanthropie Osterreich** before making their donation.*
