

SUPPORT THE PARIS BRAIN INSTITUTE FROM UNITED KINGDOM

The Transnational Giving Europe

The TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

The Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.

Donors living in the UK and wanting to benefit from Gift Aid should first contact the Charities Aid Foundation before making their donations.

After a short KYC (Know Your Customer) procedure, CAF will provide the donor with all the instructions to make his/her donation.
