

## SUPPORT THE PARIS BRAIN INSTITUTE FROM IRELAND

### The Transnational Giving Europe.

*The TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence ([www.transnationalgiving.eu](http://www.transnationalgiving.eu)).*

*The Paris Brain Institute, approved by the Foundation of France, can receive donations from the TGE.*

*By making a donation to the Paris Brain Institute via the TGE, donors who are residents of Ireland benefit from the tax advantages of that country.*
