

SUPPORT THE PARIS BRAIN INSTITUT FROM LUXEMBOURG

Le Transnational Giving Europe

The TGE (Transnational Giving Europe) is a partnership of European foundations and associations. It allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence (www.transnationalgiving.eu).

The Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.

By making a donation to the Paris Brain Institute via the TGE, donors who are residents of Luxembourg benefit from the tax advantages of that country.

Procedure

Thanks to Luxembourg's legal framework, donors living in Luxembourg can make their donations directly to a foreign beneficiary (as far as those beneficiaries comply with certain requirements) without passing through TGE and will, under certain conditions, benefit from income tax deductibility in Luxembourg.
