

## SUPPORT THE PARIS BRAIN INSTITUTE FROM SLOVENIA

### **The Transnational Giving Europe**

*The TGE (Transnational Giving Europe) is a partnership of European foundations and associations that allows donors - individuals and companies - taxed in one of the TGE partner countries, to support charitable organizations in other member countries, while benefiting from the tax advantages provided by the legislation of their country of residence ([www.transnationalgiving.eu](http://www.transnationalgiving.eu)).*

*The Paris Brain Institute, approved by the Fondation de France, can receive donations from the TGE.*

*According to the Slovenian law, donors living in Slovenia can make their donations directly to the foreign beneficiary without passing through TGE and will benefit from income tax deductibility in Slovenia.*
